Ancient Secrets. Modern Science.

## Antioxidant Equivalent to 2 1/2 Cups of Blueberries in Every Chew!\*

All natural & tasty. • Concentrated antioxidant formula.

Delivers extremely high ORAC Values. • Just 5 calories per chew.

The proprietarily formulated tropical fruits found only in Super Antioxidant Chews, provide exceptional antioxidant potency and protection.

See our ads online and in *Cosmopolitan*, *Shape* and *Working Mother* Magazines.

Seven tropical fruits, including the rare & powerful Mangosteen Pericarp helps deliver an ORAC value of 11,069† per tablet – the antioxidant equivalent of 2 1/2 cups of fresh blueberries. This value far exceeds many antioxidant-rich fresh fruits and vegetables.

\*Based on the ORAC Value equivalence testing

PRODUCT	ORAC per Serving umol TE
